OLD BUSINESS: Half Moon Bay on April 29th is a go and we will meet at the Ardenwood park and ride at 7:30am. Driving your mustang is optional depending on the weather. We will eat when we arrive at Half Moon Bay. After looking at all the cars we will decide how the wind wants to blow us down the road home. Francis made a list of activities to do in the future.

NEW BUSINESS: The breakfast for March will be on the 25th at Vic's All Stars in Pleasanton. Wayne will set up the reservations for 9am. After breakfast we can see who wants to go to the Good Guys Show at the Pleasanton Fair Grounds.

Cathy is still getting information on the Washington High School Car Show on May 5th. We will go as an club with our cars for the show. After the show Grady has volunteered his place for a BBQ.

The Golden Gate Show in June we will not go to as a club but we can see if anyone is interested in going down to see it. Interested parties can get together at the June meeting. This is a MCA event and we have a few MTM members who are MCA members too. We need to find more information as to what percentage is needed to be a MCA club.

The Niles car show on May 12th will not be our major car show since we are doing the WHS show May 5th. Some members are interested in attending both shows with their cars. Those wanting to also do Niles contact Mike as he wants to do it. It is good exposure for the club to recruit new members. Hot August Nights in Niles on Aug. 18th is a go for the club.

Black Bear in Milpitas is our May 20th breakfast gathering.

Looking down the road, the Niles Silent Movie Theater on June 2nd is Charlie Chaplin Days we will need to order tickets as this a big weekend for the theater. Billy Bronco Days June 29-30, July 1 another time the theater presales tickets. Regular Sat. shows we just need to contact the theater with the number of seats needed. Dinner at Bronco Billy's Pizza will round out the evening.

Wayne has offered to have the Christmas Party at his place on Dec. 8. WOW are we planning ahead.

We are putting one member on the inactive roll, we will continue to send the newsletter until he is able to become an active member again.
